This beautiful duplex apartment situated in the heart of Sucina really has it all. It's light, bright and airy, and it has plenty of outdoor and indoor space. The apartment enters into a hallway which leads to an open-plan kitchen, which is fully equipped, and into a sitting room-dining room with sofa, dining suite, and storage unit. The living room looks out onto an L-shaped terrace which overlooks Sucina out to the countryside with southwest orientation, enjoying sunshine all day and specifically evening sun on the other side. It also has a storage unit on the terrace. The living room leads onto one bedroom, which has views...(Ask for More Details!)
